For over 20+ years, PCF has been exclusively dedicated to the advancement of the pharmaceutical and biotech compliance community through networking, education, and best practice sharing

Demonstrated Value & Benefits of Company Participation:

- New company members receive a \$500 discount off first year's membership dues
- Full member benefits for **all** company compliance & legal employees
- Opportunities for professional development and networking; participation in steering and meeting planning committees, faculty/co-advisor for training workshops, speaker/panelist at meeting, active engagement in membership activities for networking and relationship building

Meetings

- Meetings are closed door allowing for transparent and frank discussions on sensitive compliance issues and sharing of best practices amongst our members only. *This means no consultants or vendors!*
- Invitation to our 3-day Annual Members Meeting priced well below the market rate of similar events
- Complimentary member Pop Up virtual calls on high interest compliance topics providing greater opportunities for discussions and best practice sharing
- Suite of live educational workshops offered for professional development and led by our experienced members from the basic to more complex compliance topics
- Exclusive opportunities for Chief Compliance Officers (CCO); invitation to our annual CCO Roundtable; participation in our CCO Connection Program for networking opportunities and building personal and professional relationships with peers.
- Discount registration to the PCF sponsored Pharmaceutical and Medical Device Compliance Congress each Fall, a nationally recognized event for legal and compliance professionals
