*For more than 20 years, PCF has been exclusively dedicated to the advancement of the pharmaceutical and biotech compliance community through networking, education and best practice sharing*

#### Demonstrated value & benefits of Company Participation:

- New company members receive a \$500 discount off first year's membership dues
- Full member benefits for **all** company employees in the compliance & legal profession
- Opportunities to participate in steering committees to plan meetings, contribute as speaker/panelist, be part of the PCF Leadership Board and provide talents to the advancement of the compliance profession!

#### Our Meetings.....

- Closed door allowing for transparent and frank discussions on topics of interest and compliance best practice sharing amongst our members only. *No Vendors!*
- Invitation to our 3-day Annual Members Meeting priced well below the market rate of similar events
- Exclusive invitation to our Chief Compliance Officer Roundtable held during our annual meeting.
- Complimentary Pop Up virtual calls on high interest compliance topics providing greater opportunities for discussions and best practice sharing
- Live educational training sessions for member development- *new to compliance/role bootcamp, soft skills development and deep dive complex compliance areas*
- Discount registration to the PCF Sponsored Pharma/Med Device Compliance Congress in November each year, a nationally recognized event for legal and compliance professionals

#### Our Resources.....

- Quarterly benchmarking surveys conducted across the membership; member submitted survey questions; blinded/detailed analysis report of responses
- Access to:
  - COVID benchmarking surveys to provide valuable insights and learnings as to how other companies are managing during the pandemic
  - Members Only website to view previous meeting presentations, materials and benchmarking surveys
  - Member database to network with fellow members and companies
  - Searchable database of all previously conducted benchmarking surveys
- Complimentary job postings for member company open positions on our PCF website. A superior recruiting tool. Non-participating companies pay \$600 per posting.

**Come join our compliance professionals and legal counsel members from over 85+ distinguished Research-Based Pharmaceutical Manufacturers and Biotech Companies!**
